

# Where There's a Will, There's a Way

## What Can Estate Planning Do for You?

It can make you feel good that

- you are taking care of yourself and your loved ones
- you are tying up loose ends
- you are letting everyone know your wishes

## What Can I Do for You?

You devote much of your life to taking care of your loved ones. I work with you to put together the documents that will continue to take care of them even when you no longer can. I have helped over 1100 clients like you.

## What Can You Expect?

Work with me personally

On-time appointments

Everything in plain English, not "legalese"

Everything done to put you at ease

A comfortable, non-intimidating, office
